IDS Inks Preferred Partnership Agreement with Promontory MortgagePath

SALT LAKE CITY, January 22, 2021 — Mortgage document preparation vendor International Document Services, Inc. (IDS), announced today it is fully integrated with Promontory MortgagePath LLC, a leading provider of comprehensive digital mortgage and tech-driven fulfillment solutions, as part of a preferred partnership agreement signed with Promontory MortgagePath earlier this year.

The partnership includes the migration of Promontory MortgagePath's client base to IDS' flagship document preparation platform idsDoc, which is recognized for unequalled customization and superior customer service. Throughout the implementation process, Promontory MortgagePath and IDS worked to meticulously test and prepare for Promontory MortgagePath's lender-client needs, including common loan and document types and likely use scenarios, thus enabling Promontory MortgagePath to further support its clients with customizable document preparation services.

"IDS is honored to be one of the vendors Promontory MortgagePath has chosen to help provide its client base with a comprehensive mortgage fulfillment solution," said IDS Vice President and General Manager Mark Mackey. "IDS proudly offers our clients a system capable of accommodating a mix of loan products and looks forward to supporting Promontory MortgagePath's accelerated growth and its mission of creating a faster, simpler and more-inclusive mortgage process from start to finish."

"As Promontory MortgagePath expands its technology and fulfillment offerings, we are pleased to partner with IDS for our document preparation needs," said Debora Aydelotte, Chief Operating Officer at Promontory MortgagePath. "IDS' dedication to customer service and compliance mirrors Promontory MortgagePath's commitment to its clients, which includes the commitment to offering high-quality vendor integrations."
